Check in is at 6:00pm for all camps

Please note that early arrival is not available. Staff are only available to take responsibility over your child once the registration starts at 6:00pm

Check out

Checkout is at 3:30 pm for all camps.

At registration you or the adult who drops your child off is required to list everyone authorized to pick up your child on Closing Day. These are the only individuals permitted to complete the check-out process and pick up your child (**picture ID required**). This policy is for your child's protection.

Packing guidelines

We recommend **two bags only**: a suitcase for clothing and a large duffel bag for a sleeping bag and pillow. No loose items please.

- **Bring any medications in their original packaging** with you to registration and check them in with a health staff at registration. **DO NOT pack medications in your child's luggage!**
- **Please pack lots of t-shirts!** Most days we will have a shoulders covered rule for sun safety.
- **When getting bedding and sleeping bags out of storage**, we recommend using one of the following methods to eliminate the possibility that any bugs or eggs may have made a home over the winter months: place items in a clothes dryer on high heat for 30 minutes, vacuum, or clean with soap and water or an alcohol-based cleaning product.
- **Place toiletries in a type of plastic bag or kit** that makes it easy to travel to the bathroom. This also reduces the chance of spilling.
- **Make sure your child's name is on all items.** It is a good idea to place an identification tag inside your baggage as well with name, address, etc.
- **Pack together with your child.** This allows your child to know where everything is and to develop a sense of responsibility.
- **We recommend packing all clothes in a heavy gauge garbage bag**, squeezing air out, twisting shut, and then placing bag into luggage. In a separate bag, pack bedding the same way. Include some extra bags for dirty laundry.
