

summer staff support program

Valuing the tremendous investment staff make in the lives of campers and knowing many simply cannot give an entire summer to serve at camp due to financial needs, we have created the *Summer Staff Support Program* (SSSP) as an option for those prepared to serve and in need of additional financial support.

Through the SSSP we will help you raise funds for your support goal. Of course, there is no guarantee that all funds will be raised, but together we will do what we can and then trust God to provide for your needs.

Participation in the SSSP is optional. You are not required to participate and regardless of whether you participate or not you will receive any camp contribution listed in your employment agreement.

Staff participating will be required to submit a minimum of 8 names with mailing address but are able to give as many names as they wish. Please prayerfully consider members of your family, close friends and individuals from your church who may be interested in supporting you. Once you have decided on those you would like to ask collect their full mailing address to provide to the camp.

As a registered non-profit in Canada, Bayside is required to adhere to the rules and regulations outlined by Canada Revenue Agency (CRA); therefore, through the SSSP participating staff will be divided into pools to avoid any conflict of interest. These pools will consist of staff in similar positions with all funds received from designated gifts to a pool distributed equally to the staff in that specific pool. In other words: No gift can be made out to any one person. Instead the letters of support send out on your behalf will ask individuals to support you by giving to the pool you have been assigned to along with any other staff also in this pool.

All gifts must be designated toward a pool. Any gifts made to the SSSP with no specification of pool will be assigned a pool by the camp.

Should gifts to specific pools surpass the support goals of the staff within the pool the remaining funds will be assigned to another pool or fund of the camp. Staff participating in the SSSP will not receive funding exceeding their support goal.

Donors will be receipted for their gifts to the SSSP in January 2017 along with all receipts issued by the camp.

Should you choose to participate in the SSSP you will need to note the following deadlines:

April 1 Confirmation of participation in the SSSP by staff

April 15 Submission of names with mailing addresses by staff

May 6 Letters mailed by camp

May 27 Follow up letter mailed by camp

July 29 Last day gifts can be received for SSSP

IMPORTANT INFORMATION: Staff offered positions with support goals following any listed deadlines may participate in the SSSP but will be asked to promptly confirm participation and submit names with mailing addresses.

If you have any questions regarding the SSSP you may contact Joshua Throop at (902) 868-CAMP or joshua@baysidecamp.org.

FIRSTSTEPS. NEXTSTEPS. SERVANTLEADERSHIP.
